"En nuestra época,
pasar tiempo en
la naturaleza se
está convirtiendo
en algo

bastante inusual. Formamos parte de
una sociedad urbana y dependiente
de la tecnología. Pero necesitamos la
naturaleza para relacionarnos con los
demás y entendernos a nosotros mismos.
Inspirado en los jardines japoneses, el
Jardín Meditativo LEGO® lleva a tu mente
la naturaleza de manera simbólica, un
ejercicio que resulta fundamental para la
vida en los tiempos modernos".

HOICHI KURISU

Diseñador y constructor de jardines japoneses

Creado para vivir la atención plena

● Sigue el sendero de piedras que conduce a tu pabellón privado, siéntete como en casa, relájate y sé uno con la naturaleza por un instante. O, si así lo deseas, prolonga el momento tanto como quieras.

Inspirado en los elementos esenciales de las milenarias tradiciones de la jardinería japonesa, este set se ha creado en colaboración con Hoichi Kurisu, que cuenta con años de experiencia diseñando jardines para la práctica de la atención plena. Un refugio de serenidad donde puedes reflexionar y recargar las pilas sin distracciones. Cada componente del jardín te permite sumergirte en las coloridas maravillas y la alegre belleza de la madre tierra. Mientras pasas tiempo en tu jardín, deja que se sucedan las estaciones. Siente tu creatividad florecer con cada visita, reorganiza el paisaje, planta nueva vegetación LEGO® o añade elementos decorativos que signifiquen algo para ti. Prepara una taza de tu té matcha favorito, reproduce una relajante banda sonora inspirada en la naturaleza, ponte tus zapatillas más suaves y reserva tiempo para disfrutar del espacio de tu mente.

"Dale al set tu toque personal según tu estado de ánimo".

MICHAEL PSIAKI Y CARL MERRIAM
Modelistas de LEGO® Icons

Cuida de tu jardín

● "Construir un set LEGO® tiene mucho en común con leer un libro extraordinario: es una experiencia inmersiva que lleva tu mente lejos del aquí y el ahora. Te permite centrarte en algo divertido y te da la oportunidad de sentir satisfacción y orgullo, incluso largo tiempo después de haberlo completado. Puedes volver a este jardín tan a menudo como quieras. Cuida de cada uno de los elementos que lo componen y haz cambios en el paisaje tal como lo harías en un jardín de verdad o con un bonsái. Poda o trasplanta los cerezos en flor, los exuberantes árboles de hoja perenne y el bambú, o mueve a otro lugar los faroles de piedra según tu estilo y estado de ánimo. También puedes contemplar las vibrantes carpas koi y los nenúfares en el burbujeante estanque y dejarte llevar por tu libertad creativa".

La mayoría de los pabellones de los jardines meditativos están hechos de madera para que se integren armoniosamente en el entorno.

Con frecuencia, las formas de los estanques representan *kanjis* (caracteres de un sistema de escritura japonés) con significados trascendentes, como el de la palabra *kokoro*, que quiere decir "corazón".

Las islas de los jardines meditativos pueden ser símbolos de montañas, tortugas o grullas (a menudo asociadas con la longevidad) místicas o de la mitología.

Las estructuras y los faroles erosionados aportan profundidad y carácter a un jardín meditativo y nos invitan a asumir y celebrar el paso del tiempo.
