THE LORD OF THE RINGS

## DER SPEISESAAAL

👁 In dieser Etage befindet sich der große Speisesaal von Barad-dûr™. Der Morannon-Ork General Gothmog überwacht dort das Zubereiten und Auftragen der Mahlzeiten. Auf dem Schlachtfeld werden die Orks vermutlich nicht regelmäßig gepflegt, doch hier ist die lange Tafel mit Delikatessen und Getränken für den General und seine Leute üppig gedeckt. Ein Eintopf aus verschiedenen dubiosen (und möglicherweise auch einigen vertrauten) Zutaten köchelt im großen Kessel, der über dem Lava herd hängt. Ein Geheimfach in der linken Wand beherbergt Geheimnisse über die für die Elben geschmiedeten Ringe der Macht.

„Im Lande Mordor, im Feuer des Schicksalsberges, schmiedete der dunkle Herrscher Sauron heimlich einen Meisterring, um alle anderen zu beherrschen. In diesen Ring floss seine Grausamkeit, seine Bosheit und sein Wille, alles Leben zu unterdrücken. Ein Ring, sie zu knechten.“ – Galadriel

In der geheimen Nische in den Felsen sind die Entwürfe der drei Ringe versteckt, die den Elben gegeben wurden.

Gothmog ist der Statthalter des Hexenkönigs und vor allem dafür bekannt, dass er den Angriff auf Osgiliath anführte und direkt im Anschluss die Belagerung von Minas Tirith befehligte.
