THE LORD OF THE RINGS

LA SALA DA PRANZO

👁 Questo livello ospita la grande sala da pranzo di Barad-dûr. Qui troviamo il Generale Gothmog, un Orco Morannon che supervisiona la preparazione e la distribuzione dei pasti. Sul campo, gli Orchi non mangiano regolarmente, ma qui il lungo tavolo da pranzo è stracolmo di prelibatezze e bevande per il generale e i suoi uomini. Uno stufato preparato con diversi ingredienti sospetti (e forse anche alcuni familiari) cuoce a fuoco lento in un grande calderone sospeso sopra la stufa di lava. Uno scomparto nascosto nella parete sinistra contiene segreti sugli Anelli del Potere forgiati per gli Elfi.

"Nella terra di Mordor, Sauron, l'Oscuro Signore, forgiò in segreto un Anello sovrano, per controllare tutti gli altri. E in questo anello riversò la sua crudeltà, la sua malvagità e la sua volontà di dominare ogni forma di vita. Un Anello per domarli" – Galadriel

Nell'angolo segreto tra le rocce si celano i disegni dei tre anelli donati agli Elfi.

Gothmog è il primo luogotenente del Re Stregone, noto soprattutto per aver guidato l'attacco a Osgiliath e, subito dopo, l'assedio di Minas Tirith.

L'architettura della fortezza, oscura, aguzza e infinitamente alta, riflette il carattere di Sauron e la percezione della sua immagine.
