WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

43243

A new king

"I had the unique opportunity to develop not just this, but two LEGO® Simba models at the same time! Inspired by one of the most beloved classic Disney characters, this playful display model takes advantage of the diverse shapes and combinations LEGO bricks can offer, in a fun and intuitive building experience. Its lively, posable companion model (43243) is designed for kids ages 6 and up to build on their own.

"Whether you build this model by yourself or with one of your real-life 'cubs,' we hope you will embrace your favorite The Lion King movie!"

– Marcos Bessa, LEGO® Designer

Un nouveau roi

J'ai eu l'occasion unique de développer non seulement ce modèle, mais deux modèles LEGO® Simba en même temps ! Inspiré par l'un des plus célèbres personnages classiques de Disney, ce modèle à exposer ludique tire parti des diverses formes et combinaisons que les briques LEGO peuvent offrir pour une expérience de construction amusante et intuitive. Le modèle qui l'accompagne (43243), dynamique et mobile, est conçu pour que les enfants de 6 ans et plus puissent le construire seuls.

« Que vous construisiez ce modèle en solo ou avec l'un de vos "lionceaux", nous espérons que vous laisserez inspirer par votre film Le Roi Lion préféré ! »

– Marcos Bessa, concepteur LEGO®

Un nuevo rey

Tuve la oportunidad única de desarrollar no solo este, ¡sino dos modelos LEGO® de Simba al mismo tiempo! Basado en uno de los personajes Disney más clásicos y entrañables, este alegre modelo de exhibición aprovecha las diversas formas y posibilidades de los bricks LEGO, combinándolas en una experiencia de construcción divertida e intuitiva. Su simpático modelo complementario (43243) está diseñado para que pueda construirlo sin ayuda cualquier niño a partir de 6 años.

"Tanto si construyes este modelo por tu cuenta como si lo haces con uno de tus 'cachorros' de la vida real, ¡esperamos que te contagies de alegría viendo tu versión favorita de El Rey León!"

– Marcos Bessa, diseñador de LEGO®

The great circle of life

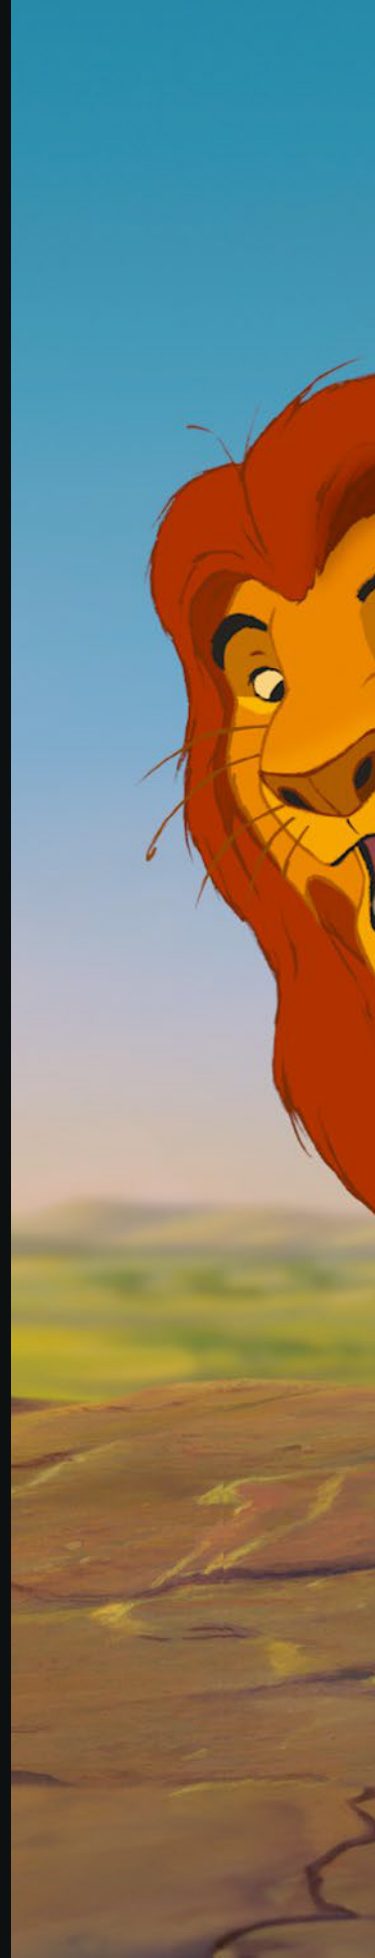

Curious and eager to learn about the world, Simba lives for the daring adventures as well as the reflective moments he shares with his loving and adoring father. A devoted role model and protector, Mufasa generously imparts his wisdom to the young cub and shows him how to care for and lead their pride. This bond is only strengthened when Simba is suddenly faced with the loss of his father and embarks on his own journey, continuing the great circle of life.

Le grand cycle de la vie

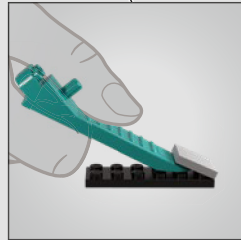

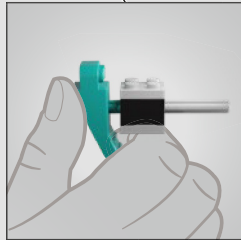

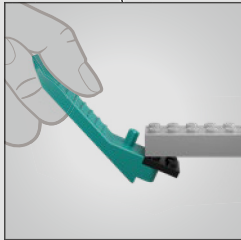

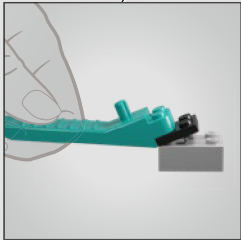

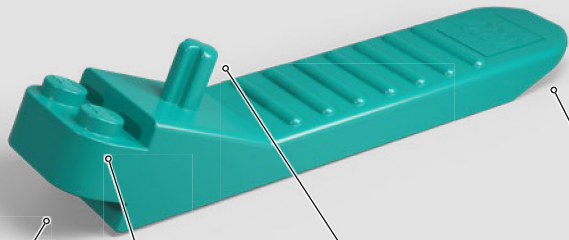

Curieux et désireux de découvrir le monde, Simba vit des aventures audacieuses et des moments de réflexion qu'il partage avec son père, qui l'aime profondément. Modèle et protecteur dévoué, Mufasa transmet généreusement sa sagesse au jeune lionceau et lui montre comment veiller sur sa troupe et la diriger. Ce lien est renforcé lorsque Simba est soudainement confronté à la perte de son père et entreprend son propre périple, poursuivant ainsi le grand cycle de la vie.

El gran ciclo sin fin

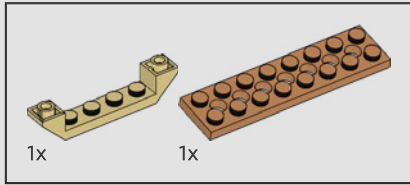

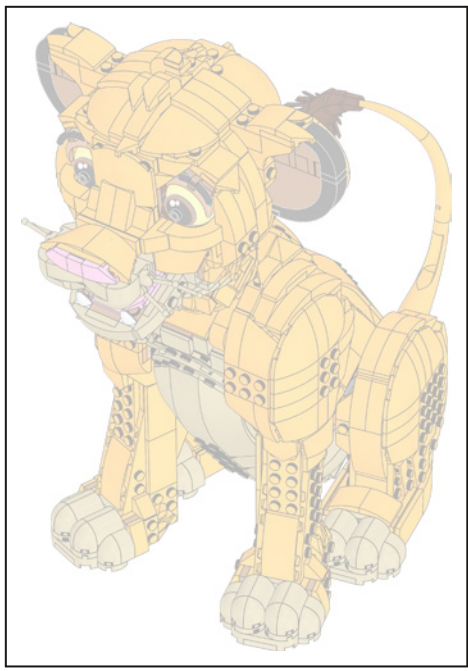

Curioso y deseoso de conocer el mundo, Simba disfruta tanto viviendo aventuras temerarias como compartiendo momentos de reflexión con su afectuoso y adorado padre. Dedicado modelo y protector, Mufasa imparte generosamente su sabiduría al joven cachorro y le enseña a cuidar de su manada y liderarla. El vínculo solo se refuerza cuando Simba se enfrenta repentinamente a la pérdida de su padre y emprende su propio viaje, dando continuidad al gran ciclo sin fin.
