WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

“GOOD PEOPLE
STILL LIVE IN
CRIME ALLEY.”

– BATMAN™

● *Batman: The Animated Series* (1992–1995) became an instant hit when it first aired and is still loved by critics and fans of all ages for its award-winning writing, animation and original soundtrack. Inspired by the original DC Batman™ comic book storylines, BTAS

offered fans elaborate backstories of every villain in the Caped Crusader™ Rogues Gallery. The show featured popular voice actors, guest stars, dramatic haunting music, iconic character design and the inspirational 'Dark Deco' art style. The depth of the show's impact on pop culture cannot be overstated – it can still be seen to this day.

« DES GENS MERVEILLEUX
CONTINUERONT À Y VIVRE
POUR TOUJOURS. »

– BATMAN™

● *Batman : La série animée* (1992–1995) connaît un succès immédiat lors de sa première diffusion et est toujours appréciée tant par les critiques que par les amateurs de tous âges pour ses scénarios, son animation et sa bande-son originale primés. Inspirée par les histoires originales des bandes dessinées Batman™ de DC, elle offre aux amateurs des histoires complexes sur tous les ennemis du justicier masqué. La série présente des doubleurs populaires, des vedettes invitées, une musique dramatique captivante, une conception de personnages emblématique et le fameux style artistique « Dark Deco ». L'énorme impact de la série sur la culture populaire est encore perceptible aujourd'hui.

BATMAN

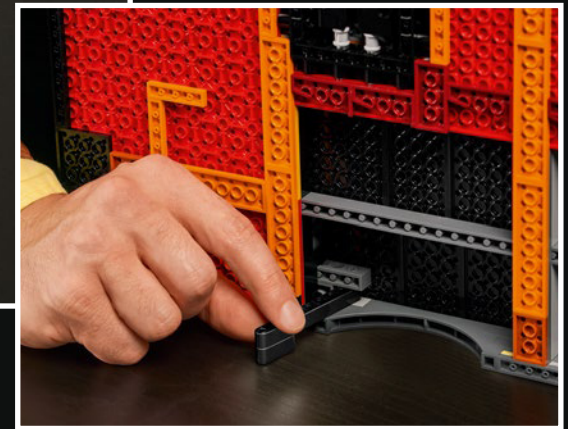

“BUENAS PERSONAS
AÚN VIVEN EN LOS
CALLEJONES DEL CRIMEN”.

– BATMAN™

● *Batman: La Serie Animada* (BLSA) (1992–1995) se convirtió en un éxito instantáneo cuando se emitió por primera vez y sigue siendo amada por críticos y fans de todas las edades por su impecable guion, su cuidada animación y su imponente banda sonora, elementos que le han valido múltiples galardones. Inspirada en las historias originales de los cómics de Batman™ de DC, BLSA ofrecía a los fans profundas narrativas del origen de cada integrante de la galería de villanos del Cruzado de la Capa. La serie contaba con populares actores de doblaje, estrellas invitadas, música dramática e inquietante, un diseño de personajes icónico y el inspirador estilo artístico “dark deco”. La repercusión de la serie en la cultura popular es indudable, y aún hoy puede apreciarse.

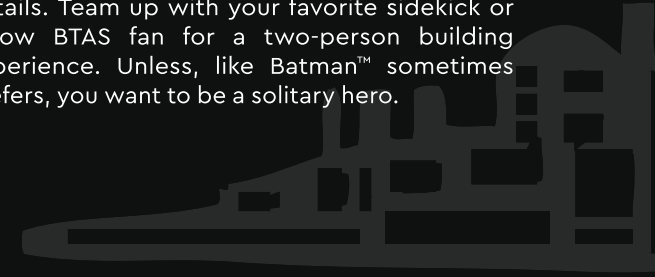

BUILDING THE LEGO® GOTHAM CITY™ SKYLINE

● Inspired by the 85 original episodes of *Batman: The Animated Series*, the LEGO® *Batman: The Animated Series* Gotham City™ skyline recreates the dynamic colors, iconic buildings, characters and events from the show. Every detail, vehicle, structure and decoration has been taken from a

specific scene, episode or moment between the show's heroes and villains. Just like in the show, the 'Dark Deco' city hides a vast underworld where dastardly dealings and cunning coups unfold in the shadows. The display itself is designed to be a nostalgic and fun building

experience packed with hidden references and details. Team up with your favorite sidekick or fellow BTAS fan for a two-person building experience. Unless, like Batman™ sometimes prefers, you want to be a solitary hero.

CONSTRUIRE LA SILHOUETTE DE LEGO® GOTHAM CITY™

● Basée sur les 85 épisodes originaux de *Batman : La série animée*, la silhouette de Gotham City™ de *Batman : La série animée* recrée les couleurs dynamiques, les bâtiments emblématiques, les personnages et les événements de la série. Chaque détail, véhicule,

structure et décoration est tiré d'une scène, d'un épisode ou d'un moment précis entre les héros et les méchants de la série. Comme dans la série, la ville « Dark Deco » cache un vaste monde souterrain où se déroulent, dans l'ombre, d'ignobles transactions et opérations. La pièce d'exposition elle-même est conçue comme une expérience de construction nostalgique et amusante, truffée de références et de détails cachés. Faites équipe avec votre acolyte préféré ou un autre amateur de la série animée pour partager l'expérience de construction. À moins que, comme Batman™ le préfère parfois, vous ne souhaitiez être un héros solitaire.

CONSTRUYE EL HORIZONTE DE GOTHAM CITY™ AL ESTILO LEGO®

● Inspirado en los 85 episodios originales de *Batman: La Serie Animada*, el set LEGO® Gotham City™ de *Batman: La Serie Animada* recrea los colores dinámicos, los edificios icónicos, los personajes y los acontecimientos de la serie. Cada detalle, vehículo, estructura y decoración se ha tomado de

una escena, episodio o momento específico entre los héroes y villanos. Al igual que en la serie, la ciudad al estilo "dark deco" esconde un vasto submundo en el que se desarrollan negocios ruines y astutos golpes de estado bajo las sombras. Esta pieza de exhibición está diseñada para ofrecer una

experiencia de construcción nostálgica y divertida, repleta de referencias y detalles ocultos. Haz equipo con tu cómplice favorito o con otro fan de BLSA para disfrutar de una experiencia de construcción para dos personas. A menos que, como a veces prefiere Batman™, quieras ser un héroe solitario.

FROM THE DESIGN TEAM

● "'Dark Deco' art style was the inspiration behind the idea. The emotional sophistication and dramatic visual simplicity was a fun challenge to emulate with bricks. To convey the style, only 15 colors are used, except where characters have left their mark."

- Joel Baker, LEGO® DC Batman™ Senior Designer

UN MOT DE L'ÉQUIPE DE CONCEPTION

● « Le style artistique 'Dark Deco' est à l'origine du projet. La sophistication émotionnelle et la simplicité visuelle spectaculaire ont été amusantes à transposer en briques. Pour refléter le style, seulement 15 couleurs sont utilisées, sauf aux endroits où les personnages ont laissé leur trace. »

- Joel Baker, concepteur principal LEGO® DC Batman™

IMPRESIONES DEL EQUIPO DE DISEÑO

● "El estilo artístico 'dark deco' fue la fuente de inspiración. Supuso todo un desafío emular con bricks su profunda sofisticación emocional y la dramática simplicidad visual que lo caracteriza. Para transmitir la esencia de esta corriente, solo se utilizan 15 colores, excepto donde los personajes han dejado su huella".
